LETTER OF ACCEPTANCE

Dear **Dr. Badreddine Sellam** ,

The Organizing Committee of the 1st International Conference on Innovation Research in Materials and Nanotechnology (**ICIRMN 2023**) is pleased to inform you that your communication proposal entitled:

“**A comparative study of Fenton-like (Fe(III)/CaO₂) and photo-Fenton-like (Fe(III)/CaO₂/UV) processes for the removal of metobromuron in aqueous medium**“

Has been accepted.

Could you please confirm your participation to the event via this Google Form:

<https://forms.gle/RiB3YiLkwBu1XDXf7>

We look forward to seeing you at the conference.

Note: All attendees, whether participating physically or virtually, must register and confirm their participation. If no actions are taken before **November 12, 2023**, we will assume that you will not participate in ICIRMN2023, and your submissions will be deleted from the system.

Payment: <https://icirmn-2023.sciencesconf.org/resource/page/id/4>;

The registration fees must be paid via CCP: **336596 Cle 92** and please attach the receipt in the google form.

Best Regards.

On behalf of the organizing committee,

Chairman of Conference
Dr. Yasmina KHANE

November 29-30, 2023 : Ghardaia, Algeria

LETTER OF ACCEPTANCE

Dear **Dr. Taous Belaid** ,

The Organizing Committee of the 1st International Conference on Innovation Research in Materials and Nanotechnology (**ICIRMN 2023**) is pleased to inform you that your communication proposal entitled:

“**Adsorption of Copper (II) by composite beads(Alginate/Egg shell)**“

Has been accepted.

Could you please confirm your participation to the event via this Google Form:

<https://forms.gle/RiB3YiLkwBu1XDxf7>

We look forward to seeing you at the conference.

Note: All attendees, whether participating physically or virtually, must register and confirm their participation. If no actions are taken before **November 12, 2023**, we will assume that you will not participate in ICIRMN2023, and your submissions will be deleted from the system.

LETTER OF ACCEPTANCE

Dear **Dr.** Mohammed A Samba ,

The Organizing Committee of the 1st International Conference on Innovation Research in Materials and Nanotechnology (**ICIRMN 2023**) is pleased to inform you that your communication proposal entitled:

“**Avoid Loss of Miscible CO₂ Injection by Using Water Alternating Gas (WAG) Injection in X Field**“

Has been accepted.

Could you please confirm your participation to the event via this Google Form:

<https://forms.gle/RiB3YiLkwBu1XDxf7>

We look forward to seeing you at the conference.

Note: All attendees, whether participating physically or virtually, must register and confirm their participation. If no actions are taken before **November 12, 2023**, we will assume that you will not participate in ICIRMN2023, and your submissions will be deleted from the system.
